

# SUPER COMET

"As new as tomorrow", this is one way to describe Nu\*Star's **Super Comet** touch-free car wash system. Nu\*Star has always been recognized for their performance and dependability, but now it has attained recognition for their 21st century style and look. With a combination like that, the **Super Comet** is guaranteed to be a winner.

Look no more, the Nu\*Star **Super Comet** has it all.
